Subject: Notice of Intent to Prepare a Plan

Date: September 13, 2006

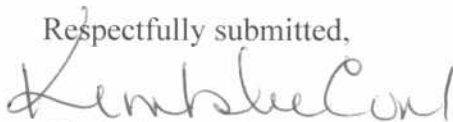

I would like to take this opportunity to first extend greetings from the Mayville Area Planning Commission to our fellow officials in the neighboring communities.

As we shared with you earlier this year, the planning commissions of the Village of Mayville and Fremont Township were joined under the authority of the Joint Municipal Planning Act (Public Act 226 of 2003). We are now preparing to work on a new master plan document and a new zoning ordinance for both the township and the village. In doing so, we would like to request your cooperation and comments in helping to make our master plan and zoning efforts compliment those of our neighbors, in accordance with the Municipal Planning Act (Public Act 285 of 1931; §7a(2)) and the Township Planning Act (Public Act 168 of 1959; §7a(2)). Please also consider sending or emailing us a copy of your planning and zoning documents.

We would also like to request your permission to submit electronically any information required to be submitted to you under section 7b or 8 of the Municipal Planning Act and the Township Planning Act. To confirm your permission to do so, please provide your electronic mail address to the Mayville Village Manager at [jwickman@villageofmayville.org](mailto:jwickman@villageofmayville.org)

Thank you for your time and attention in this important matter. Should you ever have any further questions or concerns about this project, please do not hesitate to contact the Mayville Village Manager, James Wickman.

Respectfully submitted,

Kimberlee Corl, Secretary  
Mayville Area Planning Commission
